EGYPT GATE 8

Flying over the great Sites in Egypt
(Pyramids – Luxor – Red Sea)

10th To 21st October 2026

(Cooperation with Egyptian Parachuting & Air Sports Federation)

www.skyone-eg.com

About
The Event

EGYPT
GATE 8

Egypt Gate is recognized as the **largest paramotor event in the Middle East and North Africa,**

offering pilots an unparalleled opportunity to fly over Egypt's most iconic and historic locations.

The event grants rare permission to fly over world-famous sites, including **The Great Pyramids of Giza and the Sphinx, The majestic Temples of Luxor, and The crystal-clear waters and shores of the Red Sea.**

The event has demonstrated massive growth and enthusiasm within the global paramotor community.

It started in **2020** with a passionate group of only **10 Pilots** and has since expanded dramatically, reaching a record high of **98 Participants** (pilots and guests) in the most recent **Gate 7** event.

Egypt Gate combines the thrill of aerial sports with a unique historical and cultural experience, allowing pilots from around the world to view one of the world's oldest civilizations from a breathtaking new perspective.

This event is a testament to the passionate paramotoring community and the logistical success in securing access to fly over these world wonders.
